

PRODUCT SHEET

The AS 190 Line of splints:

The AS 190 Line is Germa's Low-price range of splints, however, regardless of lower price they still have Germa's high quality and long-life.

The AS 190 Line splints are intended and designed to deliver stabilisation to injured patients during transport. They are suited for fixation of patients with hand, wrist, arm, leg, shoulder and/or hip injuries.

The splint moulds around the individual fracture giving an absolute optimal and very comfortable support to the patient.
